

Sponsorship Packages 2010 Season

About Us

The Capital City Crusher's are Topeka, Kansas' only flat track roller derby team. The league is currently made up of 30+ members and ready to start out 3rd season.

Why we need Sponsors

Since the league is owned and operated by the skaters we are responsible for running the bouts and bout production. The league relies on ticket sales and fundraisers, in addition to our own dues, to pay for our expenses like regular bout and event operations as well as travel expenses to play other teams. We depend on the volunteering of friends and families, vendors and any special guests to contribute to our unique sport. However, with a growing league the money we bring in alone is not enough to facilitate our goals. We hope that by choosing to sponsor us you can aid us in continuing our action packed sport in our local community.
